Testimonials

We own a flying service and maintain ground rigs. In our business, time is money. Sur-Tec flows through the planes better than any product out there!
Southern Kansas Flying Service...

With Sur-Tec I don't have to spend time messing with dry bags anymore!
Midwest Kansas Farmer...

Sur-Tec gives me a more even distribution of herbicide and I get a better kill.
Southern Minnesota Farmer...

I farm 20,000 acres and I have never seen a product perform like Sur-Tec! We have used it in the worst spraying conditions and still got excellent kills.
South Dakota Farmer...

Putting everything in one jug not only makes it easy to use but gives us great kills!
Oklahoma Farmer...

It started raining before I got done spraying, but I still got a great kill across the whole field!
Minnesota Farmer...

The most effective simple to use product I have ever worked with. I love Sur-Tec!
Iowa Applicator...
